**At least 48 hours' notice is requested on custom cake orders**

We want your custom cake experience to be the best you've ever had, so please place your order early. Order as soon as you know what your party plans are.

We go by date and time on orders.

## IMPORTANT THINGS TO KNOW WHEN PLACING YOUR ORDER:

### Decorations

Any special requests that are not in the cake book *may* cost extra. See Rachal.

We cannot photocopy Trademark photos such as Disney characters, etc.

Each novelty design is priced for one cake kit. If you request additional kits, they will cost you \$4 to \$8 per kit, depending on the kit. We do one design per cake – floral or novelty. Our cakes are priced this way.

When ordering at our cake counter, please check that all information is correct and names are spelled correctly.

If you have a special design that's not in our cake book, come in and see Rachal or call. Given enough time, she will try to find what you are looking for. Order early.

### Flavors & Fillings

You may request two cake flavors in ½ and full sheet cakes ordered. We cannot do two cake flavors in ¼ sheets.

You may request two fillings in a sheet cake ordered.

If you only want filling in half of your cake, the other side will *need* to be filled with icing. This is so the cake is not lopsided.

### Decorator's Hours

8:00am to 3:00pm

Monday, Tuesday, Thursday, Friday & Saturday

If you *know* you want to talk to Rachal, the decorator, please call ahead. She is at work the above hours, every week, unless she takes a vacation day or has an appointment.

The bakery and deli associates can also take your order.
